Coxhoe Athletic FC Team Sheet

Here you can enter the players in a classic 4-4-3 formation (even if this was not the formation actually employed)
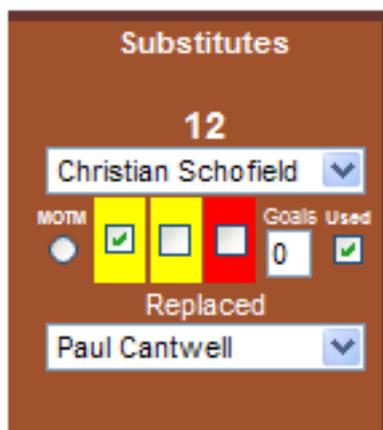

Player details

Each position will have a drop-down box for you to select the player who played in that position, together with a button to indicate if this player was your Man-of-the-Match.

The 3 card tick-boxes should be marked as follows for each player:

- Single yellow card awarded - tick the 1st yellow card only
- Two yellow cards awarded (resulting in a sending off) - tick BOTH yellow cards only (do not click the red card)
- Single yellow card followed by a straight red - tick the 1st yellow card AND the red card
- Straight red card awarded - tick the red card only

Enter the number of goals scored by this player (or zero if no goals scored)

Substitute details

These should be completed exactly the same as for a starting player, with the addition of two extra fields.

Tick the 'Used' box if this substitute played and also select the player that they replaced.
